

HOCK TO HEAD FROSH EDITING NEXT TRUMPET

Frosh Will Assist
in Putting Out
the March 2 Issue.

The freshman issue of the *Trumpet* is scheduled for publication on Mar. 2. Following Rice, freshman reporter from Strawberry Point, Iowa, has been selected as editor-in-chief.

Faythe Brooks, Allison, has been chosen as associate editor; June Aardal, Waverly, news editor; Victoria Voecker, Waverly, feature editor; and James Hughes, Strawberry Point, as sports editor.

These editors were selected by the existing committee of the *Trumpet* as has been the custom in former years. The business and advertising department of the alumni page will be edited in the usual manner.

The freshman class approved of this project at a special meeting on Friday, Feb. 16. All members of the freshman class are asked to contribute news for this special issue. Watch for the freshman issue two weeks from today.

NEW RECORD FOR EMPHASIS WEEK

"Most Students" Attend
14-Meeting Program
Hear Sheatsley Twice.

Attendance at Wartburg's services during Religious Emphasis Week soared to a new high as "most students" attended the 14-meeting program which the Luther League of Wartburg college sponsored on the campus from Feb. 7-21.

Highlights of the program were the student-conducted Sunday and evening services and special services conducted on Sunday by Dr. C. V. Sheatsley, executive secretary of the American Lutheran church. Other speakers, Martin Helm, and Erwin Walz. The opening devotion on Wednesday at 7 p. m. was led by Dr. John Hiltner.

Regular convocation programs were also given. The Emphasis committee and students were permitted to hear lectures by Rev. E. H. Reider, Rev. M. Fritschel, and Rev. W. O. Eckler, whose speeches centered around the theme of "Religion in the Home."

Rev. R. C. Schuetter, college pastor, conducted an open-forum discussion Saturday afternoon for the benefit of about 150 students. The devotional exercises were held at 7 p. m. every day. The student body attended the Mattis service in mass in the morning and at 10 p. m. every day for the second time that day at 2 p. m. Both Sunday services were held at St. Paul's Lutheran church.

DRAMATICS

To Present Two
One-Act Plays.

The Dramatics club has announced the forthcoming production of two one-act plays to be presented publicly shortly before Easter. Two one-act plays were chosen instead of the usual long play in order to make it easier for cast, director, and stagecrew, and to allow for the participation of a greater number of actors in the production.

The two plays chosen are "The Terrible Mask" by Charles Rapp, Kennedy, and "The Finger of God" by Bernard Williams. Tickets for these plays were held in the convocation hall Wednesday and Thursday, Feb. 14 and 15.

SCARLET FEVER CLAIMS VICTIMS

Six Crossman Residents
Are ill; Dick Test Reveals
75% Have Small Susceptibility

Scarlet fever has kept a number of the men of Crossman in hospital from their classes the past week. The first case was discovered last Monday, Feb. 9, with Victor Schroeder as the victim. He was immediately quarantined in his room in an effort to prevent the disease from attacking the rest of the men.

Unfortunately this dread disease reached more of the men, for in the next four days five others were stricken. These afflicted besides Schroeder, are James Hughes, Orville Kalkwarf, Erwin Franke, Gerhard Diemer, and Harvey Husted. They were removed from their rooms and placed in the office of Coach Baermann. When the number of cases became too large, the furniture was moved out of the reception room in Crossman hall and the afflicted moved in.

Meanwhile the scarlet fever "dick" test was given to the men in both dormitories to determine the susceptibility of these men to the disease. About 75 percent showed that their chances of getting it were small. This test does not serve as an inoculation, but merely as an indication of susceptibility.

LOOKING AHEAD

Feb. 17-7:30 p. m., Valentine party.
Feb. 18-4 p. m., prayer fellowship.
Feb. 19-7:30 p. m., band.
Feb. 20-8 a. m., Rec club play.
Feb. 21-7 p. m., student council.
Feb. 21-7 p. m., debate club.
Feb. 21-8 p. m., student-fellowship tea.
Feb. 22-8 p. m., basketball, Upper Iowa vs. Wartburg, here.
Feb. 22-8 p. m., Lyceum, Katherine Van Buren, lyric soprano.
Feb. 23-7:30 p. m., English lesson.
Basketball, Wartburg vs. Penn, there.
Feb. 25-8 p. m., Freshie society.
Feb. 25-4 p. m., prayer fellowship.
Feb. 26-7 p. m., band.
Feb. 27-8 p. m., debate club.
Feb. 28-8 p. m., basketball, Penn vs. Wartburg, here.
Feb. 28-7 p. m., band.
Feb. 28-7 p. m., W. club.
Mar. 1-7:30 p. m., English Lesson.
Mar. 2-7 p. m., next Trumpet.

Feb. 17-7:30 p. m., Valentine party.

Feb. 18-4 p. m., prayer fellowship.

Feb. 19-7:30 p. m., band.

Feb. 20-8 a. m., Rec club play.

Feb. 21-7 p. m., student council.

Feb. 21-7 p. m., debate club.

Feb. 22-8 p. m., basketball, Upper Iowa vs. Wartburg, here.

Feb. 22-8 p. m., Lyceum, Katherine Van Buren, lyric soprano.

Feb. 23-7:30 p. m., English lesson.

Basketball, Wartburg vs. Penn, there.

Feb. 25-4 p. m., prayer fellowship.

Feb. 26-7 p. m., band.

Feb. 27-8 p. m., debate club.

Feb. 28-8 p. m., basketball, Penn vs. Wartburg, here.

Feb. 28-7 p. m., band.

Feb. 28-7 p. m., W. club.

Mar. 1-7:30 p. m., English Lesson.

Mar. 2-7 p. m., next Trumpet.

Lyric Soprano

Miss Katherine Van Buren, talented Negro lyric soprano, will appear on the Wartburg Lyceum program on Thursday evening, Feb. 22, at 8 p. m.

MISS VAN BUREN TO GIVE PROGRAM

Negro Soprano To
Sing on Lyceum Artists'
Series Thursday Evening.

Miss Katherine Van Buren, who will appear at the Wartburg auditorium on the college lyceum program Thursday, Feb. 22, is the foremost lyric soprano of a race noted for its musical endowment and is one of the great sopranos of our time.

Miss Van Buren has studied for four years at Fisk University where she was soloist in the Fisk University choir during that time. She is a graduate of Oberlin Conservatory of Music and has been instructor on the faculties of the music departments of Shaw University and Tulane college. She is now a faculty member at Fisk University, Nashville, Tennessee, a negro university founded in 1865.

She is a faculty member at Fisk University, Nashville, Tennessee, a negro university founded in 1865. She is a faculty member at Fisk University, Nashville, Tennessee, a negro university founded in 1865. She is a faculty member at Fisk University, Nashville, Tennessee, a negro university founded in 1865.

Walter Franklin Anderson will serve as Miss Van Buren's accompanist. He graduated from the Oberlin Conservatory of Music in 1937 with high honors, receiving the Pi Kappa Lambda key.

He is both an accomplished pianist and organist and is a member of the American Guild of Organists. At present he is teaching

SOPHOMORE OFFICERS

Karl Lauberg, ex. Readlyn, Iowa, Edwin Schick of Burke, South Dakota, and Richard Wall of LeCenter, Minnesota, are president,

vise president and secretary-treasurer respectively of the sophomore class.

WARTBURG TAKES 9 OF 14 DEBATES

Welch, Upper Iowa, First;
Orin, Snitch Place Second,
Third in Individual Ratings.

On Wednesday, Feb. 7, 1940, the Wartburg college debate squad met Dubuque and Upper Iowa universities in a triangular debate tournament at Wartburg college. Wartburg emerged with the largest number of victories, winning nine of 14 debates, although Upper Iowa No. 1 was undefeated in five debates. Dubuque university won only two debates out of eight since they were unable to remain for the entire tournament which consisted of five rounds.

In the individual ratings, Welch of Upper Iowa placed first with an average score of 58 in five debates. Orin representing Wartburg, ranked second with an average of 54 in three debates. Snitch Place of Wartburg placed third with an average score of 53 in four debates. Frank of Wartburg, Carroll of Upper Iowa, and Nagel of Dubuque all tied for fourth place with scores of 51. Leeseberg of Wartburg was seventh with a score of 50, followed by Conner of Dubuque and Landis of Wartburg, who tied for eighth place with a score of 48.

Several members of the Wartburg faculty, together with the coaches of the competing teams, acted as judges.

"Home Talent" Aired At Convo Musicales

"Home Talent Musicales" was the title of the convocation program given by student musicians Thursday, Nov. 15. The program was opened by Virgil Laessle, who played two piano solos, "Andante d'Allegro" from Liszt's Sixth Hungarian Rhapsody, and a Berceuse by Chopin.

The Wartburg hall girls' trio, composed of Faythe Brooks, Helen Thompson, and Albert Zinn, continued with a rendition of "In an Old Dutch Garden." The trio was accompanied by Ruth Mardorf.

A male quartet, Harold Tesch, Luther Mardorf, Bob Wiedersanders, and Richard Moenke, rendered the composition, "Mark! the Vesper Hymn." They were accompanied by Faythe Brooks.

The concert was concluded by a trumpet solo by Gerhard Rentsch, who played "King Carnival" by Krypt. Miss Brooks accompanied him on the piano.

WARTBURG BY PICTURES

Rev. Shalkhauser left for western Iowa and Richmond on Feb. 12 for a two weeks publicity tour in this area.

He will show pictures of Wartburg college in the A. L. church in Omaha and in the A. L. church in Omaha of which Rev. Becker is pastor.

Rev. Wetters, president of the Iowa junior college, will visit Rev. Shalkhauser in contacting congregations in that area.

FRESHIES PLAN COSTUME PARTY FOR TONIGHT

Fun, Prizes, Eats
Promise Good Time
at Valentine Party.

The Freshman class under the general chairman, Rev. Victoria Voecker, aided by Robert Wiedersanders is planning a Valentine costume party which will be held in the gymnasium beginning at 7:30 o'clock, Saturday evening, Feb. 17.

Professors Neumann, Hiltner, and Laemohn will use their judging powers in choosing the three best costumes. Come dressed in your best costume and win a prize. At least you will have three chances out of two hundred to win.

Oh, but this isn't all. Oswald Vorhman, head of the entertainment committee, promises us that you will have the fun of your life. And Bernice Reider, head of the refreshment committee, will need there be more said.

Come to the Valentine party and forget your troubles and woes. Enjoy an evening well spent. If you don't believe there is going to be a party, come down to the gym and find out for yourself.

HILTNER CHOSEN LEAGUE SPONSOR

Fritz Resigns; Hughes,
Reck, Wiedersanders,
Luetzow Address Group.

Dr. John Hiltner was elected co-sponsor of the Luther League, to fill the vacancy caused by the resignation of Fritz Resigns. A meeting held Feb. 5, Prof. G. Olsenberg is the other sponsor.

Following information by Mr. Sandrock about religious services at Wartburg during the Emphasis week, the meeting was turned over to the program committee. Short talks in regard to the Ohio, Iowa and Buffalo synods, the final margins of these synods into the Lutheran church, and the talks concerning Melancthon, Gustafus Adolphus, and the Munster brothers were given by James Hughes, Llewellyn Reck, Victor Luetzow, and Robert Wiedersanders.

Helen Thompson sang "Prayer Perfect."

Devotions were conducted by Hiltner.

The Luther League meets for its regular business and social meeting Sunday evening, Feb. 18, at 7:30 p. m. in Wartburg hall. Committees are: Entertainment, Luterne Komitee, chairman, Donald Combs; Finance, Luterne Komitee, chairman, Luterne Komitee; Refreshments, Irene Janssen, chairman, Robert Wiedersanders; Music, Gustafus Adolphus, chairman, Robert Wiedersanders.

FORTRESS

Eleanor Gross, Editor,
Promises a Big Success.

Plans are rapidly taking form for the 1939-40 "Fortress" dummy copy has been assembled and this year's annual promise to be a real success. The paper will probably be \$2.05 per copy as it was last year. This is not yet definite. The following people are in charge of the publication and organization of the annual.

Editor-in-Chief, Eleanor Gross; assistant editor, Belle West; senior editors, Theophile Doyen, Irma Christenfeldt, class editor, Emily Black; Layout, Roland Wuest, Vivian Gluck, organizations, Gretchen Hanff, Lewis Rohm, Betty Wiedersanders, A. Schumacher; activities, Dorothy Krueger, Richard Wall.

IT'S UP TO YOU!

Wartburg's Religious Emphasis Week has drawn to a close. We devoted special time for religious observances when we gathered in groups for morning and evening devotions and special convocations. We heard, we saw—but did we feel? The opportunity was there; our loving Lord, bowed down under the suffering He bore for us, was brought closer to us, but did we reach out to Him and feel Him clasp our hand more firmly?

Our society at Wartburg gives us every opportunity for group fellowship and worship, but how useless it all is if we fail to vitalize the theme of Religious Emphasis Week, our personal, individual relation with Christ! Lent turns our attention to this. Are we too lazy to respond? Are we moved to see the "I" in relation to the Savior?

Religious Emphasis Week has done its part; now its success depends upon each individual Wartburger. —E. G.

HAVE YOU EVER CONSIDERED?

Have you ever considered that the faculty may be sincere in their motives in regulating the workings of Wartburg? Has it occurred to you that the American Lutheran church is small and poor and that the funds which Wartburg college has at its disposal are limited.

With this in mind have you thought that perhaps many of the complaints of students are really unfounded because the fault lies with the church members who support the college? Then, are you not a member of that church with the responsibility of carrying your share of the burden? Seeing that you are co-responsible for the success of Wartburg, have you taken every opportunity to aid its growth and development and make Wartburg what you think it should be, or have you been satisfied to sit back and watch the proceedings with a critical eye and throw in a few pointed remarks when those proceedings did not end in the immediate perfect results which you expect?

Do you, students, church members at large, administrative officers, and members of the faculty, have the interests of Wartburg at heart, and are you sincere in serving your church's college?

—E. Piple

RELIGIOUS EMPHASIS WEEK

The Luther League, chairman and members of the committee in charge of arrangements for the Religious Emphasis Week are in line for congratulations. Certainly the week was one of inspiration to all who participated.

The morning sunrise services were much better attended than last year, and the combined chapel services in the evening under the student leadership were an undoubted success and an evident improvement over last year's method.

Many were also much impressed and inspired by the sight of the student body as a group going to the worship at the Lenten services Friday night and to the Sunday morning matins services at which Dr. Sheatsley gave a very inspiring address inviting students to "come to Christ and 'go' into all the world to labor for Him.

That the spirit of the week might remain with us through the following weeks and months and that future Religious Emphasis programs might be ever more successful is our earnest hope.

SENIORS

Otto Zeilinger

One of the "silver" men of the senior class and a familiar figure to everyone on the campus as he goes about his own business is Otto.

He was born in St. Francis, Kansas, 1917, to Rev. and Mrs. O. Zeilinger. Although he lived in Grand Island, Neb., during 1930-31, Kansas is the state he calls home. Otto received his high school education in Kensington and St. Francis, Kansas. His first two years of college were spent at Hebron, Neb., where he sang in the chorus, was president of the Augsburg society, and worked on the college paper. He attended Wartburg, where he is a pre-the student, is a member of Luther league, pre-the society and in the men's chorus. For sports he prefers tennis, and playing pool is his favorite recreation. His hobbies run something like this: writing poems, reading and doing amateur sculpture work. He prefers historical movies and those that feature classical music. But peace—he detests jazz.

Otto plans to go into the education minor field of New College, when he has completed his education.

Reinold Woest

Active in social affairs, leader of many clubs, and a possessor of the heartiest laugh on the campus—the "Rollie", senior pre-the.

He was born in American Falls, Idaho, June 8, 1918, son of Rev. and Mrs. C. E. Woest. His parents are both graduates of Wartburg college. Rollie received his high school education in Pendergast, Ore., and Oregon City. He attended Pacific college at Tacoma, Wash., for two years before coming to Wartburg. Here he is a member of the choir and pre-the society, Luther league, and Pre-the society. He is president of the choir, president of Luther league, and sports editor of the Trumpet. Rollie has traveled through most of the states between the Mississippi and the Pacific Ocean. He has been to California, where he has taken basketball, baseball, tennis and golf. Rollie—good music, strong collecting, and clipping hobby. He prefers historical movies. His pet peeve—hill Billy music.

Music Notes

Faythe Brooks played a piano solo, the first movement of the Sonata in C, by Mozart, at a meeting of the Pi Sigma society held in the reception room of the Wartburg hall, Thursday afternoon, Feb. 8.

For convocation Friday, Feb. 9, Anne Aardal sang "O Lord Most Holy" by Franck. Loraine Ecksteth accompanied her with a violin obligato and Victoria Voelker accompanied her on the piano.

Paulus Braulick sang "The Holy City" by Adam at the service of the Evangelical church, Sunday morning, Feb. 11. His accompanist was Ruth Maydorf.

Wartburg girls' trio sang "O Sacred Head Now Wounded" ("Now God Be With Us") at a Lenten service at St. John's Lutheran church at Clarksville, Thursday evening, Feb. 15.

"THE RED PLAGUE"

IS THIS WHAT SCHROEDER HUGHES

KALKWART AN FRANKIE ARE WAITING FOR??

PRE-THE

Matthew 26:22—But Jesus answered and said, Ye know not what ye ask. Are ye able to drink of the cup that I shall drink and be baptized with the baptism that I am baptized with? They say unto him, We are able.

James and John the Sons of Thunder, had persuaded their mother to ask Jesus to give them the places of honor in the kingdom. Jesus answered with another question, "Can you endure all which I must endure to save you?" Vindictious and trusting in their own strength they answered, "We can." A short time later they too fled with the other disciples in Gethsemane. In justice to John, however, let us remember that he followed Jesus to the trial and the next day accepted the care of Mary from Jesus on the cross.

There is the same tendency in all of us. We all are able to do anything—at least in our own secret thoughts. We all wish to have the high places and to receive the praise and adulation of our acquaintances. Then, in an emergency, we fail. It might have been someone else's doing but in all probability the germ of failure was in ourselves. It is a sad commentary on human nature that we act as if all failures are the fault of another. Therein is the great lesson of this passage, we common men and women can never hope to follow Jesus with never a stumble or fall.

At one time Jesus told his disciples, "Except ye become as little children, ye shall in no wise enter the Kingdom of Heaven." That is the antithesis of the idea that we can follow Jesus in our own

strength. What will we be—children, full of trust and faith, in Jesus—or men and women of the world, full of trust in our own strength? This is still one of the great questions confronting all of us.

—Martin W. Leeseberg

STUDENT OPINIONS

At the present time I'm certain an outsider may say that all the girls of Wartburg hall are satisfied with the regular ringing of the curfew. However, I'm sure we all realize that spring is—might I say—just around the corner. In all probability will soon be having nice weather and I know the girls will want to come in every night. Money through Thursday—precisely at 9:30.

We all know how spring makes us girls desirous of long walks and walks certainly are not detrimental to our health. They are advantageous. There would be no time for us to enjoy the soft fragrance of the spring if we should study in the library until 9:30. There would then be no time to get a "coke" or go for a walk.

Can you imagine our Wartburg girls being inside at 9:30 when the boys have the privilege of being out until 11? I know the girls haven't thought of the 9:30 bell as a hardship but have rather appreciated it—no matter what spring is nearing why couldn't we have a 10 or 10:30 bell in place of our 9:30 bell? This would be just fine. There'd be no grinning and all Wartburg would be happy.

PHYSICS LAB IS EQUIPPED WITH TRICKY DEVICES

Tesla Coil, Kundt's Tube, X-Ray Are Among Equipment.

Wartburg college is well known throughout the Lutheran world as a theological college. However, I doubt very much if the people who support this college or even the students of the sciences realize what a large part of the curriculum and school equipment involves the field of science.

No doubt physics and chemistry majors are well aware of the existence of Wartburg's science department, but I am sure that very many of the balance of the student body have never done the science department the justice of even giving it a proper inspection.

Last Wednesday a senior science student offered to take me through the science department and show me the equipment of the physics department. It turned out to be one of the most interesting experiences of my life.

The physics department possesses the necessary equipment to make x-ray pictures of the interior of your body. This necessitates the use of an x-ray tube mainly the rest of the equipment is of the type that I have never heard of. I named that my scientific knowledge was too limited to understand.

Did you know that in the physics storeroom stands a device capable of discharging thousands of volts of electricity? This outfit is called a Tesla coil. The young science student told me that it consisted mainly of a condenser and spark gap producing an oscillating current.

We went on and I discovered a six foot tube of glass with a coil of wire around it. This tube, he told, could be used to test any metal as to the rate of speed which it is corroded while submerged in it. It is called a Kundt's tube.

Then my attention was called to a complicated looking outfit seemingly composed of metal rods, a telescope and a mirror. This is used to measure the coefficient of expansion of metals. The coefficient of expansion of metals means the amount that a metal will expand when heated to a certain number of degrees.

The physics department even possesses a machine that will measure the candle power of a light bulb or from which can be calculated its efficiency.

Other wonders of the department were a device to measure the heat equivalent of work, an instrument to prove that the electron has mass and some of the most sensitive galvanometers made.

One day persuade Professor Aerdal or one of his senior students to take you through the department storeroom. It is a treasure trove of the wonders of science.

GAMBLE STORE

Baermann Directs Installing of Print Shop in Old Main

New Project Uses Two Students; To Begin Soon.

The plan advanced by the faculty ways and means committee for a Wartburg college printing shop will soon be in operation. This committee appointed Mr. Baermann to direct and to the details of the plan and supervise the project. According to Mr. Baermann, the shop will consist of the supplies, such as type cases and ink, have arrived, and the rest are waiting to be installed.

The press is a small foot-power affair that Wartburg has inherited from Wartburg at Clinton. Actual work will begin next week.

The shop is to be located in a room in the second half of Old Main, which was remodeled by students during the Christmas vacation. The outfit will consist mainly of stereos, forms and blanks of various kinds, programs, and projectors. It will be a plant intended for students, and the press will be at first provide work for two students.

One of the reasons for starting the project was the fact that the printing shop will be placed in the hands of Wartburg's German department. This was in the event Wartburg will have an industrial department, some groundwork will have been done.

Organizations

Pre-theo.
Recommendations that a full time instructor be placed at the head of Wartburg's German department that attitude and placement tests be given to freshman German classes are selected, and since there are two freshman classes, that they be divided according to their knowledge of German, that freshman German be made a four-hour course, that of a third three-hour course, that since the third and fourth classes are made up of students mostly of pre-theological students, these courses be worked out to their advantage, and that a course in theological German be introduced, started off the regular business and informal meetings of the Pre-theological society Feb.

The above recommendations were submitted by a committee which had been appointed some time ago to study and report upon by the group and sent to the curriculum committee. After some discussion a committee was appointed to investigate the advisability of conducting a religious service at Wartburg, and the Pre-theo society is asked to participate.

The remainder of the meeting was spent in discussing "How far shall a minister go in taking part in social work in his community?"

Science Club
Richard Wagner was elected vice-president of the Science club at a special meeting Feb. 9. He fills the vacancy left by the graduation of Edwin Cramer at the end of the first semester.

In connection with pledging of eligible freshmen, it was decided to observe formal initiation this year. Instead, each pledge will be given a project to work on and present to the group as a constructive, educational phase of future programs.

Prayer Fellowship
At the February 10 meeting of the Prayer Fellowship, Martin Heist led the group in a discussion on the origin and significance of prayer. The group discussed at length the habit of self-denial.

SHELL SERVICE

Be Up-To-Date—
Shellobacite
Golden Shell
Shell Penn Motor Oil

CARL RUBENOW

during this season, and especially that of fasting. We are told in the Bible that if we are to be Christians, we must take up our cross and follow Him. What is this cross that we are to bear? Some makes us suffer because we are Christians. Others held the belief that it is mainly one's attitude in bearing sickness and other afflictions.

Pi Sigma

The Pi-Sigma girls were privileged to hear an informal talk on "Finger Brass" by Mr. Rodeman at their monthly meeting Feb. 9 in the reception room of Wartburg hall. She emphasized that the girls should dress to suit the occasion and also to suit their personality.

After the talk, Faythe Brooks played a piano solo. The business meeting was opened with the problem of raising funds. It was decided to consider a style show, a contest was appointed to investigate the matter.

The refreshment committee served a light lunch consisting of cherry pop, white soda and cookies.

Student Council

The student council has changed its time of meeting. The new arrangement allows for the meetings to be held on every Tuesday evening at 7:00 p. m. in the faculty room.

Coed Chatter

Candy and candy! Nice place to be on Feb. 10—the girls' room! The Clinton girls' room even boasted of some honest-to-goodness roses.

Puzzle: Why doesn't the "weather" seem to change so rapidly and so often? The way the MEN do!

My pet gripe! Why do some people insist on holding class after the second bell and then leave you to face your next prof as he stares you down because you're tardy?

Comes spring, and a young mule's fancy lightly turns to thoughts of clothes. Just wait and you'll soon see a blossoming field of rainbow hues.

Why do some people make such hard work of being polite?

Betty Reck and Esther Weiss spent the week entertaining some little girls that visited in their throats. The guests were given out their hospitality and will leave soon.

Things I don't like: static on a radio, interruptions when I'm deeply engrossed in a letter, white socks, the torn ribbon on the Trumpet typewriter, the snow, becoming the fireball when there isn't a fire, the forced smiles of a pretentious over-dresser, a soggy toothbrush.

Things I do like: looking at the sun when it's "grounding," the smell of a brand new magazine, the wind blowing back my hair, the peppermint ice cream, a little snow on after dinner, clean, fresh clothes, slick from the iron, most people.

Annada Walker of St. Paul, Minn. was a visitor on the campus last week. She attended Wartburg for the last two years.

Castle Quacks

"Bud" Steward had a terrible time finding a certain feather for his hat on the night of Feb. 9. After a mad search in the Club cafe he continued to seek in Greenman hall with a flash light and a razor (without a blade). Quoth he, "Where's that feather? I simply have to have that feather for my hat!" "Gulp" whooped it up over the week-end, too, if rumor can be believed.

St. Valentine's Day really brings out the whimsical. A certain freckleman girl sent several sentimental sales.

"Bubs" Priest surely likes to sleep. He doesn't care where but he says he likes best to sleep in the library. He says it is fun to stare and even more fun to be awakened by a cup of cold water poured slowly over his face.

It looks like Casanova Hustad will be out of circulation for a few weeks because of Wartburg's red plaid.

That Pi Sigma leap year party really brought out the unique couples. Just ask those who were there.

Apologies to Walker for a gross

exaggeration and misrepresentation of the facts concerning the affair with Miss Reardon. We would appreciate it very much if Mr. Walker would post daily notices acquainting the student body with progression (if any) of his romance.

"Nubby" Rohr gave the choir a good laugh the other day when he placed himself gently on a sturdy chair only to have it break into its bitty pieces under his terrific weight.

We ought to have Siskella play a violin solo some time. From what we hear he is pretty good. If practice makes perfect he ought to be.

The Bressler-Walters feud is no more—an instance of a valentine healing wounds.

Things not seen very often:
1. Dick But, who is a pretty good.
2. Geraldine Bahr without her finger nails.
3. Lewis without Karl.
4. Harold without Arnold.
5. Schaaf on time to Convo.

CONVOCATIONS FEATURE MANY SPEAKERS

Religion, Missions, Debate, Pride, Are Subjects Included.

Mon., Feb. 5—Dr. John Hiltner
"Continual growing in religion is the essential thing in a student's life," was the heart of the message given in convocation on Monday, Feb. 5, by Dr. John Hiltner, head of Wartburg's religious department.

Quoting from the Lutheran Messenger of Nov. 1, 1927, Dr. Hiltner said, "Christian youth must never mean youth that is afraid of facing reality, a race of young widdlems who run away from difficulties instead of conquering them in Christ, and with Christ, and for Christ."

"The Lutheran college is therefore never meant to be a nice cluster of academic seclusion. It is to train and to educate Christian leadership in a modern world."

Tues., Feb. 5—Debate
An American policy of strict isolation was debated in convocation Tuesday, Feb. 6, by an affirmative team composed of Raymond Kronberger and Martin Leeseberg and a negative team consisting of Edwin Seidick and Norman Orlb. The debate proceeded under the chairmanship of Fred Schultz after President Kronberger had briefly introduced the members of the debate society.

Wed., Feb. 7—Pres. E. J. Braulick
Ash Wednesday's convocation was conducted by Pres. E. J. Braulick who spoke on the theme of "Religious Emphasis Week. 'My personal Religion'."

His advice was that we should follow the way of Stephen in finding our Lord. Stephen learned that the beauty of following this

Master was not wisdom, culture, power, or might, but rather victory, peace, and rest.

"What are you putting into your religion?" asked the speaker. "Do you get anything out of it or do you merely follow routine? You must find Him and follow Him."

Thurs., Feb. 8—Rev. W. Fritschel
"A Sense of Realness Concerning Christ" was the subject which Rev. W. M. Fritschel of Charles City discussed before the student body Thursday, Feb. 8, in which he warned against an attitude toward religion that is too accidental.

"Do you sometimes wish for a greater sense of realness of Christ's nearness and presence?" questioned the pastor. To achieve this he advised "Strive to see God in the Bible and in the little things. Use the means of grace thoughtfully, deliberately, prayerfully."

"Put forth an effort to make God real to you. Your capacity will be increased in the measure in which you are faithful."

Fri., Feb. 9—Rev. W. O. Ecklor
"All truth of God is concentrated in the radiant face of Christ, and the Lenten season is the time for us to examine ourselves in the light of that face," asserted a Waverly pastor, Rev. W. O. Ecklor of the Methodist Episcopal church when he talked about the "Pull of Christ" in his convocation on Friday, Feb. 9.

"If we would be spiritually streamlined and move with the greatest efficiency," commented Rev. Ecklor, "we need to shift our faults which cause friction. We must respect in the full meaning of the word."

The closing remarks of Rev. Ecklor stressed the importance of prayer and of keeping fellowship with God.

Mon., Feb. 12—Dr. C. V. Sheatsley
The executive secretary of the board of foreign missions, Dr. C. V. Sheatsley, spoke in convocation on Monday, Feb. 12, about "India." Dr. Sheatsley pointed out various misconceptions which Americans are prone to entertain concerning backwardness in India. "India," he said, "is a great country, challenging the United States in many respects."

The largest railway system in the world is found in India. This country has more religion per square mile than any other country in the world. It has the second largest group of people.

"If you want to see costly apparel," said the missionary, "go to India. On the other hand, six million people go to bed hungry every night. The average wage of the average family in India is ten cents per day."

Tues., Feb. 13—Dr. C. V. Sheatsley
Tuesday, Feb. 13, Dr. C. V. Sheatsley continued his discussion of India, dwelling especially upon the mission work of the Lutheran church. He did this according to a four-fold classification of evangelistic, medical, educational, and industrial work.

"The most impressive work done," according to Dr. Sheatsley,

PRESENT CONVOCATION HALL

The lack of space in the present convocation hall and the need for a new auditorium for student gatherings and isseum programs are the major factors in the campaign by the Wartburg college annual for a new chapel-auditorium.

The above photo of the college's convocation hall shows the present crowded seating conditions when the faculty and students are all present. About 150 persons are being crowded into this hall every day now.

RULES

New Dining Hall Rules Are Being Followed.

The following new rules have been made in order to restore better order in the dining hall:

1. There shall be no passing of plates or plates before grace has been said.
2. Men must wait for ladies when entering the dining hall.
3. Men must come to meals properly attired.
4. Students must leave by tables.
5. Every person must wait until everyone at his table has finished eating.
6. Exceptions are made with special permission.

Don't forget the Washington Tea Wednesday afternoon from 4 to 6 p. m. in the reception room of Wartburg Hall. All students, faculty members and families are cordially invited.

HOW TO GET A's

HICKORY, N. C.—(ACP)—If you want to be an "A" student, take the advice of Harold L. Hoffman, a psychology major at Lenoir Rhyne college.

Here are the five steps to academic success that he recommends:

1. Study. Remember that those students labeled "geniuses" really study for their superior marks.
2. Love "all" the opposite sex, not just one of said sex. This tends to create a superior, "I'm all-right" frame of mind.
3. Cultivate a liking for your professors and for your studies. Hard to do perhaps, but if at least a neutral attitude is adopted toward each professor and each study, and a sincere effort is made to master the subject, success will be yours.
4. Every college student has someone interested in his success—a father, a mother, a sister, a brother, perhaps a sweetheart, a aunt, or an uncle. Develop on all show you attitude. Prove to those financial, social, or spiritual backers that you are equal to the task.
5. Be a good "mixer"—put on the old personality with your associates, for creating a favorable attitude in the eyes of your fellow students will make you as an individual happy, light-hearted, and free—desired qualities for a successful student.

ALUMNI

Article I—Name.
The name of this organization shall be "The Association of Alumni and Former Students of Wartburg College."

Article II—Membership.
(a) All those who were eligible for membership in the Alumni Association of the institutions now merged in Wartburg college, "The Wartburgers of Waverly," St. Paul-Lutheran College Alumni Association, and "The E. L. C. Alumni" shall be eligible for membership in this association.

(b) All graduates of the merged Wartburg college and those students of this institution who have completed a minimum of one full year of academic work shall be eligible for membership in this association.

(c) Members of the faculty of Wartburg college not eligible for regular membership and friends who have rendered distinctive service to Wartburg college or any of the institutions merged therein may become honorary members of this association.

SCHUH SPEAKS TO SEMINARIANS

Acquaints Prospective Pastors with Phases of Church Organization.

Rev. H. F. Schuh, LL. D., director of stewardship and finance of the American Lutheran Church, presented a series of lectures during the past week to the Wartburg seminary students on various phases of church financing with which the prospective Lutheran pastors must be acquainted.

Speaking Monday afternoon on the general subject of church organization, Dr. Schuh took a typical case story and traced it through to illustrate the various steps in organizing a congregation, internally and in relation to the American Lutheran Church.

Another of his lectures dealt with statistics and others, with various other phases of his particular work. Dr. Schuh plans to speak to the seminarians once every three years so that in this way every prospective minister will have had an opportunity to hear him at some time during his seminary days.

Seminary Awaits Bodenseck's Decision

Rev. Julius Bodenseck of Columbus, Ohio, who was recently called to the presidency of the Wartburg theological seminary at Dubuque has not as yet announced whether he will accept or reject the call. Rev. Bodenseck's appointment was made by the seminary board of trustees which met in Dubuque Wednesday, Jan. 31.

The Ohio pastor is well known in Waverly as a former instructor at Wartburg Normal college and has also served on the faculty of Capital University, Columbus. At present he is editor of the Kirchendienst.

Seminary Notes

Seam Team Loses
A fighting Seminary quintet refused to concede anything to a favored Dubuque University "B" team and battled to the final before dropping a 34-29 decision. Herman Smith and Werner Blachoff joined the seminary scores with Kohlwart and Kuester starring defensively. The game was played as a curtain-raiser for the Dubuque U.-Luther tilt Friday evening, Feb. 2.

Lenten Offering
The Wartburg Seminary mission society voted at its regular February meeting to invite the student body to take part in the annual Lenten self-denial offering. This year the moneys raised will be used for mission work. A similar offering last year benefited medical work in New Guinea.

Choir Entertained at Sem.
Members of the St. Olaf Choir were guests at a special dinner in the Wartburg Seminary refectory last Sunday noon. Following the meal short speeches of welcome were given by Dr. M. Reu, seminary president, Sam Wagenast, president of the Wartburg chorus, Dr. A. Jaznow, director of the chorus, and Norbert Boer, St. Olaf graduate now attending in

seminary. Words of appreciation on behalf of the St. Olaf students were spoken by Dr. Paul Schmidt, manager of the choir. Choir members were then free to wander through the beautiful seminary buildings until time to leave for the concert. Immediately after the concert the chorists caught a train for Chicago where they closed their 1940 tour with two concerts on Monday.

Lenten Studies
Dr. John C. Matsum, seminary professor, is conducting a series of Lenten devotional studies during the Sunday school hour at St. John's church. Special Lenten services are being held at the local church on Wednesday and Friday nights, the latter services being in German.

SEM OPENS LENT WITH SERVICE

Dr. Reu, Mattes, Prof. Salzman Speak Wednesday Morning in Chapel.

The beginning of Lent was observed by the Wartburg seminary faculty and students with a Lenten retreat service held in the seminary chapel. Wednesday morning, Professor S. Salzman, Dr. J. Mattes, and Dr. M. Reu delivered sermons appropriate to the day.

Prof. Salzman using as his subject "Behold we go up to Jerusalem" sought to direct the attention of the worshippers to the historical character. Then he stated that they might not see there but that they might indirectly accompany the Savior to Jerusalem. The call is extended to all.

"Behold and see if there be any sorrow like unto my sorrow" was the theme of Dr. Reu's meditation. He emphasized the failure of human intelligence to comprehend the sin-charged surroundings of Christ's sufferings and the events which necessitated it. "The only reason for the suffering of our Lord," he said, "is the love of God. Who does not shrink from self-sacrifice."

Dr. Reu then brought the closing sermon on the topic, "Behold, the Lamb of God." He carefully traced through the Scriptures the conception of Christ as the Lamb of God from His first mention as such by John the Baptist. Christ's willing sacrifice of Himself has not been in vain, for we make we are acceptable to the Father. In closing Dr. Reu emphasized the comfort, grace and peace for all through the blood of Jesus Christ.

Don't forget the Washington Tea Wednesday afternoon from 2 to 4 p. m. in the reception room of Wartburg hall. All students and faculty members and families are cordially invited.

DO YOU REMEMBER?

Not so long ago these women were the co-eds of Wartburg—do you remember any of them? The styles may look queer to us now but they

were the height of fashion back in 1928 when this girls' club first formed a part of Wartburg's outside activities.

SEM STUDENTS HEAR SHEATSLEY

Lectures on Social Conditions in India; Moving Pictures Shown.

Dr. C. V. Sheatsley, secretary of the Indian mission of the American Lutheran Church, presented a series of lectures to the Wartburg students serving to acquaint them better with the work of the church in the foreign field. The lectures were arranged by the mission society during the week beginning Feb. 5.

Dr. Sheatsley's first lecture dealt with the field from primarily a geographic viewpoint. Then on the following days he presented the social conditions and problems of the field along with the work being done at present towards the evangelization of India's millions.

Thursday evening, motion pictures were shown of the mission in action. The pictures were of special interest to the seminarians as it was the first time they were shown west of the Mississippi river, and provided for many their first information of a visual nature of the work done in India.

WITH APOLOGIES TO WABEY THEATRE

The Trumpet staff wishes to apologize for the omission of the Waverly Theatre in the general advertisement of Trumpet advertisers in the Feb. 3 issue.

ST. OLAF

Choir Thrills 1100 by Inspiring Concert.

A near-capacity crowd of 1100 filled into the auditorium of Dubuque Senior high school last Sunday afternoon to hear an inspiring concert by the St. Olaf choir under the direction of Dr. E. Mehus Christiansen. The exquisite loveliness of the pianissimo parts and the full-bodied intonation for which the choir is famed drew repeated applause so that all the original numbers were sung by the choir before completion of the program. Numbers especially acclaimed by the appreciative audience were "Benedictus" by Palestrina, the familiar "Lost in the Night" with Gertrude Boe Overby singing the alto soprano solo, and "Longing for Home" by Kirnitz, featuring a baritone obligato by Julius Zakawa.

The concert was sponsored by the Wartburg seminary chorus with the assistance of the student body. Dr. Albert Jaznow is the faculty advisor.

WESTERN UNION BEATS KNIGHTS IN SLOPPY GAME

Eagles Smother
Bewildered War-
burg Five, 36-25.

Faltering before the onrush of the Western Union Eagles, the Warburg Knights received the short end of a 36-25 point in a rough and tumble Iowa conference basketball game played at the Waverly high campus Feb. 16.

Missing many attempts at the basket and unable to cope with the speedy Western Union press defense, the Knights never seriously threatened after the first few minutes of the game. Bennett, center for the Eagles, proved to be the sore spot for the Knights as he averaged the net seven times for 14 points. Kappmeyer was high-point man for the Knights as he scored three goals and two gift shots for eight points.

First Half

Langholz opened the scoring for the Knights when he was fouled in the opening second of the game and capitalized on his gift shot. A short time later he was again fouled and again he sank the charity. Bornheim scored for the Eagles as two free throws and Prochaska followed with a two-point shot to put the Eagles out in front 4-2 and by Bennett and Bornheim, the Eagles steadily increased their lead to 16-13 at half time.

Second Half

Kappmeyer opened the second half with a two-point shot for the Knights but Bennett and Bornheim really turned on the steam to score almost two points to Warburg each during most of the period. Becker scored two buckets and Bornheim scored another for the only Knight two-pointers of this half. The other Warburg points were from two free throws, each by Kappmeyer and Langholz.

C. Mall, Agent

The Knight Rider

By Sir Poland

REALITY

Believe it or not but the swiftly moving 1940 hoop season is almost over. You can pick up any newspaper and in the sports section read about the high school tournaments that are in progress. They are constant reminders that it won't be long before the basketball season will greet the multiballs for another nine months. Only three games left and up till now the Knights have failed to hit the win column. If this year's squad doesn't pull a win out of the bag pretty quick their record will be much worse than last year's squad record.

Last year the hoop record boasted three wins over tough opposition but we must bear in mind that three regulars were lost by graduation and not only that but Coach Mac lost tall boys that a college five needs badly. Our squad this year has only one regular who comes up to six feet and the rest are short for college play. That makes a big difference against taller boys especially under the backboard. In the Buena Vista game on their floor they used three six footers that didn't even make the trip to Waverly. That additional height made the difference between victory and defeat. We're still hoping that small fast men are better than tall, slow men—but if they are tall and fast—wow!!!

BACKWARDS

Have you noticed this season that Warburg is a "first half" squad? The Knights battle hard and furiously during the first half and at times are leading when a half hour sounds, but during the second half the opposition walks all over us. For example in the local Dubuque game, the half time score was 23 to 20 for Dubuque but the final score was 40 to 26 for Dubuque. In the second half they outscored us 17 to 6. In the first Western Union game, Warburg led at the half 16-14 but the Eagles won 37-30. In the second Buena Vista game, the Beavers led 14 to 10 at half time but during the second half Buena Vista outscored the Knights 55 to 17 to win 49 to 27. Warburg led the Wisconsin Miners 18 to 15 at half time in their recent game but the outcome was 44 to 40 for the Miners. There's something wrong somewhere. The score always looks good at half time but it's always backward for Warburg when the game ends. One of the big reasons is the lack of good substitutes which goes back to an insufficient turn out of capable material to cope with the stiff competition offered by the Iowa conference.

BRIILLANCE

If you care to see a brilliant player who is a "natural" in scoring and in general basketball strategy, you are cordially invited to come to the Upper Iowa game Wednesday, Feb. 21 and see this brilliant sophomore flash, Dale Alderson, give a fine demonstration of scoring. It is almost impossible to guard his readily one-handed twist shots and as a result he is out far ahead in the individual scoring race in the Iowa conference. Barring injury, young Alderson should set a new scoring record with ease.

BEWARE

Beware lest the readers assume such an indifferent attitude over against our hoop squad that they will refuse to attend the games. That's the worst thing that can be done. There are a number of reasons why our squad can't win but that is no reason to refuse to support them. They always play a fine brand of ball and deserve the student body's support 100%. They just can't win a game if the students don't cheer them on.

KNIGHTIES

Once more the Knights are back in their winning stride. With dead-eye, left-handed Vivian Glueck at the forward posts, the Warburg Knighties are assured of more than enough points to win. Viv is better than ever and can really swish the ball through the net. Good luck, Knighties, and keep up the good-work.

FROM OUR NEIGHBORS

St. Olaf Drama class presented his "Master Builder" Feb. 12 and 13. Charming Pollock, writer and lecturer, appeared on program—The Messenger.

Dr. Dubuque Dr. Welch announces completion of successful

Central: New chapel near completion. Choral and vocal selections by Central students are transcribed over WMT and KRNT—The Ray.

Luther: Plans carried forward for construction of new girls' dorm. Concert band returned from successful tour on Feb. 5.—The Chips
Upper Iowa: Miss Vivian Buren to appear on Waverly program Feb. 21.—The Collegian.

PEACOCK QUINT TO INVADE LOCAL MAPLE, FEB. 21

Upper Iowa Holds
One Win Over
Warburg, 59-38.

Still smarting under a 59-38 beating, the Warburg Knights will trot out onto the local maple arena, a gleaming high-scoring Upper Iowa quintet, Wednesday night, Feb. 21.

The first meeting this year between Peacocks and Knights proved disastrous for the locals as Dale Alderson, brilliant sophomore forward tagged 10 field goals and 4 gift shots for a total of 24 points. Alderson was untappable and with the help of V. Riemer, guard and Spatcher, forward, the Upper Iowa five had little difficulty in downing the Warburg quint.

The return game with Upper Iowa on the Waverly floor is always one of the hottest most bitterly fought ball games of the year. Last year, the Peacocks won the first game on their own floor with comparative ease 59 to 26 but on the Waverly floor were severely extended to beat the Knights 48 to 40 in the last few minutes of a torrid game. The game this year should be no exception with feeding running at a high pitch between the two teams. The Peacocks boast 5 out of 9 wins in the Iowa Conference and hope to fatten their average at the expense of the McKinzie quintet.

SCORING

By
Warburg Knights

Since the last issue of the Trumpet, at which time Captain Kappmeyer was leading the Knight scorers with a total of 10 points, Marty Hest, fiery junior forward, picked up four extra points and is now tied with Capt. Kapp with 88 points each. The most sensational rise of the past two weeks is that of the brilliant fresh center, Howard Becker, who has advanced from ninth place to a tie for fifth.
